Timeline

The quarterly close starts on working day 1 after the quarter ends. Sub-ledgers are locked on working day 3. The draft accounts are ready on working day 7, and the final accounts are signed on working day 10.

Reconciliations

Bank balances are reconciled to the ledger every quarter. Any difference above 250 euros must be investigated and explained in writing. Intercompany balances must agree to the cent. The reconciliation file is kept for 7 years.

Sign-off

The accounts are reviewed by the financial controller and signed by the finance director. The audit committee receives the signed accounts within 5 working days. The close reference for this document is CANARY-FIN-3b4a2dac.
