Visiting the Brightmoor office

Visitors are welcome at the Brightmoor office from 08:30 to 17:30, Monday to Friday. Every visitor must be registered at the front desk by the member of staff they are meeting. The front desk is on the ground floor, to the left of the main entrance. Visitors who arrive without a booking may wait in the lobby for up to 15 minutes while a host is found.

Getting there

The nearest railway station is Brightmoor Central, a 12 minute walk from the office. Trains from the airport take 35 minutes. The visitor car park has 24 spaces and costs 4 euros for the whole day; it must be booked one day in advance. Bicycle racks are free and are next to the east entrance.

Rules for visitors

Visitors wear a green badge at all times and are escorted in every area beyond the lobby. Photography is not allowed in the workshop. Visitors must hand in their badge at the front desk when they leave. Lost badges are reported to the front desk at once.
